My dear Mr McGann

It was a great
pleasure to get the Mysore
University Magazine a
day or two ago as the address
was in your handwriting
which I haven't seen for
ages. How are you, & your
good man, & Emily? Was

for her. I am still quite
as fond of shooting as ever,
& am delighted to join in
the sport whenever invited.
Please make my salaams
to H H, & his good Mother,
and family generally.
My Wife joins me in all
good wishes for 1918 for you,
& all yours.
Kindly give my salaams
to all my old friends
Yours sincerely
